

Welcome to the 2017-2018 4-H Year! In order to make the process of your enrollment or re-enrollment into 4-H as easy as possible, please read the following reminders carefully.

### **Dates & Deadlines**

- Enrollment for the new 4-H Year starts **Thursday, August 17, 2017**. If you wish to enroll before that date, please submit a paper copy of your enrollment forms to our office and we will enroll you after 8/17. If you choose this option, you are still responsible for paying the membership fees either online or via check (see below).
- If you choose to wait until 8/17/17 and enroll or re-enroll your families electronically, please follow the attached directions from the state 4-H office. Contact our office with any difficulties.
- All new and returning members must enroll/re-enroll after 8/17/17 or your enrollment will not be active for the 2017-2018 4-H Year and you will not be eligible to participate in 4-H events.

### **Membership Fees**

- A \$20 membership fee is required for **all community club members between the ages of 8-18**. This payment must be made to the state 4-H office, either electronically or via check. **Payment can not be made to the county office.** Cloverbuds, adult volunteers, and in-school or special interest members are exempt from the fees.
- Nassau County has set a \$60 maximum per family for membership fees. If you have more than 3 children (8-18) enrolling in 4-H, please contact our office and we will cover the cost of any children above 3. **You must contact our office to receive this scholarship.**
- **A limited number of need-based scholarships** are available to cover membership fees. If your family needs scholarship information, an application may be picked up at our office.
