

General Information

The **Limited Commercial Landscape Maintenance (LCLM)** certification is available only for landscape maintenance contractors applying pesticides to their customer's property.

- Products are limited to "Caution" labels only, not "Warning" or "Danger" labels
- Applications are limited to beds and shrubs, **not** lawngrass
- Application equipment is limited to backpacks and handheld pump-up sprayers, not powered equipment
- Each applicator must be licensed and may not supervise other applicators
- Each applicator cannot operate their own commercial business with this license
- Each applicator must have 6 hours of State approved education prior to taking exam
- A complete application and proof of insurance is required before taking the exam.
- This certification requires a passing grade (75%) on the exam. Cost of exam is \$150.
- See complete details and the application at <http://www.flaes.org/pdf/Indspckt.pdf>

Contact Nassau County Extension Office to determine exam preparation classes and testing dates.

Rebecca Jordi, 491-7340 or e-mail: rjordi@ufl.edu
