**Descriptive:**
The Knock Out® rose will find a permanent home in your garden. This absolutely carefree landscape rose is a breakthrough in disease resistance. Fluorescent cherry red blossoms attract attention all summer and give way to deep purple fall foliage coloring your garden with three seasons of interest. You don’t have to waste time removing old flowers from this blooming machine. The self-cleaning Knock Out® rose takes the maintenance out of roses. Hardy, drought tolerant upon establishment, this rose is a carefree, show-stopping Star®!
